

Dear Friends and Potential Sponsors:

Ferrell Hollow Farm Senior Horse Sanctuary (FHFSHS) is pleased to announce the Inaugural Rally for the Rescues Trainer's Challenge taking place in June 2016 at the beautiful Clearview Farm in Shelbyville, TN. This first of its kind competition in TN matches TN rescue horses with natural horsemanship trainers who will foster and train the horses for 110 days (starting in February 2016) and then they will all meet up for an exciting three day event. There will be four classes in the competition, raffles, entertainment, food, demos and clinics. Top scoring trainers will be recognized and awarded prizes while meeting our goal to get all the horses adopted.

FHFSHS main focus for the Rally for the Rescues event is the HORSE. We know that rescue horses are just as talented and versatile as any other and this event will show the public how amazing rescue horses can be and produce horses that are ready to work for their adopters. We also know that the equine rescues in this state work and fight hard every day for the welfare of our state's equines so this is a way to help support them for all their tireless work and dedication.

FHFSHS is honored to help and support River Edge Farm Horse Rescue, Horse Haven of Tennessee, Safe Harbor Equine and Livestock Sanctuary and Volunteer Equine Advocates and the horses in their care.

We recognize that local support and caring partners are central to the success of this inaugural event. Ferrell Hollow Farm is currently seeking organizations that are interested in supporting the 2016 event and the TN equine rescues by sponsoring. If you would like to become a Rally for the Rescues 2016 sponsor, please review the information on the following pages.

Thank you for considering supporting this first of its kind event. Your participation is greatly appreciated. For more information please visit <http://rallyfortherescuestn.com/>.
